EVENT OVERVIEW

As businesses (be it family-run businesses, small or medium-scale enterprises, or large conglomerates) enter a New Era, re-emerging after the impact of the pandemic, Executives and Business Leaders are looking to create rapidly adaptable teams and next-level leaders who can propel and enable businesses to be future ready.

Three Laws of Performance is a three-day event designed for organizational leaders looking to create a future beyond the challenges of the present circumstances – a future that provides a sustainable competitive advantage, elevates corporate performance, and positions them for success

Grounded in the best-selling book, *The Three Laws of Performance: Rewriting the Future of Your Organization and Your Life*, this event is designed for attendees to apply this cutting-edge approach in their current business environments.

Participants will gain access to:

- The critical factors that drive team performance
- Hidden assumptions that limit organizational velocity
- The power of high-performance language, especially when dealing with uncertainty and challenges
- Authentic organizational alignment and coordinated action
- New ways of collaborating with others that expand your ability to produce results
- The tools to have your vision sustained over time and owned by others throughout your organization

The event is presented as a dialogue and includes inquiry and discussion, practice, exercises, work in small groups, and assignments between sessions. Individuals and teams at all levels are welcome to attend – from top executives to emerging leaders
