# LEADERSHIP: INVENTING THE FUTURE

## Participants will gain access to:

- The critical factors that drive team performance
- Hidden assumptions that limit organisational velocity
- The power of high-performance language, especially when dealing with uncertainty and challenges
- Authentic organisational alignment and coordinated action
- New ways of collaborating with others that expand your ability to produce results
- The tools to have your vision sustained over time and owned by others throughout your organisation

The event is presented as a dialogue and includes inquiry and discussion, practice, exercises, work in small groups, and assignments between sessions. Individuals and teams at all levels are welcome to attend – from top executives to emerging leaders.

*"Since working with Vanto Group we have a completely different team and a different dynamic. I no longer have to keep on top of everything. The team decides what needs to be done, who needs help and things just get done. We have successfully completed our accreditation process and increased our Practice efficiency, which has directly impacted revenue."*

*We have changed the way we communicate. People are now willing to speak up and address what doesn't work because they see a breakdown as an opportunity get things resolved. Everyone now feels like they have a voice. When making decisions, the team is thinking from the future we created together. We are now talking about who we are for our community and we feel proud."*

---

Kylie Sterry  
Principal of Plaza Medical Practice, Australia

*"Thanks so much to the whole Vanto team for your work with our team. I really was unsure of what to expect, but I knew we needed to push the limits to ensure a breakthrough. The program exceeded my expectations and I'm so very glad that we were able to bring our whole leadership team along. I was amazed that such a powerful program could be delivered in an online setting."*
