

Leadership:

Inventing the Future

June 27-28 & July 05-06, 2022

Event Overview

During these unpredictable times, we are all dealing with unexpected challenges. The notion of “business as usual” has come to an abrupt end.

Leadership: Inventing the Future is a four-day virtual event designed for organizational leaders looking to create a future beyond the challenges of the present circumstances – a future that provides a sustainable competitive advantage, elevates corporate performance and positions them for success.

Grounded in the best-selling book, *The Three Laws of Performance: Rewriting the Future of Your Organization and Your Life*, this event is designed for attendees to apply this cutting-edge approach in their current business environments.

Participants will gain access to:

- The critical factors that drive team performance
- Hidden assumptions that limit organizational velocity
- The power of high-performance language, especially when dealing with uncertainty and challenges
- Authentic organizational alignment and coordinated action
- New ways of collaborating with others that expand your ability to produce results
- The tools to have your vision sustained over time and owned by others throughout your organization

The event is presented as a dialogue and includes inquiry and discussion, practice, exercises, work in small groups, and assignments between sessions.

Individuals and teams at all levels are welcome to attend – from top executives to emerging leaders.

Leadership: Inventing the Future will take place virtually via Zoom video conference over four days. The event will consist of three two-hour sessions with two breaks between sessions.

Dates: June 27-28 and July 05-06, 2022

Times: 09:00am – 5:00pm

Location: Virtual – Zoom Video Conference

Pricing: Rs.1,10,000 INR per person (taxes additional)

Early registration is recommended.

Registration closes on Wednesday, 22-June, 2022.
